

Temple University must pay the H-1B/E-3 beneficiary the "required wage rate." Temple must determine and document its *actual wage rate* and determine and document the *prevailing wage rate* in the area of intended employment, then pay the higher of the two. **20 C.F.R. § 655.731(a)** The Actual Wage Rate is determined by the Temple University (HR, OPA, School/College, etc). The Prevailing Wage Rate is determined by the US Department of Labor.

The following information, per Department of Labor (DOL) regulation, must be available for public examination.
