Extending/Changing Nonimmigrant Status for Dependents

The Office of International Student and Scholar Services does not have authority to assist you with any Dependent Application. We are not attorneys; advising you on a Dependent’s application could be construed as practicing law in the United States without a license.

Any questions your Dependent(s) is/are unable to answer should be addressed to an immigration attorney. You can find a list of referred attorneys at [https://isss.temple.edu/about-isss/working-immigration-attorney](https://isss.temple.edu/about-isss/working-immigration-attorney) or you can look for an attorney at [https://www.ailalawyer.com/](https://www.ailalawyer.com/) The attorney may charge you a fee to review the application. We strongly advise you to contact an immigration attorney if your Dependent(s) receive a Request for Further Evidence (RFE).

Our office will include your dependents’ application with our Immigration petition as a courtesy if you complete the Release of Liability Form below and upload the release form to your Application in DestinyOne.

- I understand that ISSS cannot legally provide advice regarding my dependents and that I have the right to consult an immigration attorney regarding their applications/status. I hereby release any liability on the part of ISSS in the matter of my dependent’s status and applications. I understand that ISSS cannot represent myself or my dependents in this or any follow-up matters before USCIS or any other government agency.

- I understand that ISSS may include a Dependent Application with Temple's immigration petition for the principal beneficiary as a courtesy. ISSS bears no responsibility for the decision made by USCIS regarding that application and is not responsible for the completeness or accuracy of the Dependent Application, including supporting documentation and application fee.

- I understand that my I / my dependents should consult with an attorney should the USCIS issue any “requests for further evidence” if we need assistance in responding.

- I understand that ISSS is not responsible for lost documents, Notices of Action or any correspondence to or from USCIS. If my dependents do not receive a decision, a Request for Evidence or a Notice of Action, I understand that they must pursue the matter independently.

By signing below, I acknowledge that I / my dependents are responsible for maintaining continuous lawful immigration status in the U.S. Therefore, I release and hold harmless Temple University, its Board of Trustees, the University’s faculty, staff, agents, and employees from any claim which could result from any failure on my/our part to maintain lawful immigration status.

A dependent (spouse / children under age 21) of the primary visa holder can be granted Dependent status. The Form I-539 (and I-539A for each additional dependent) can accompany ISSS applications. Form I-539 / I-539A (if applicable) must be completed and signed by the Dependent(s) themselves, not by the TU employee. Form I-539 / I-539A and USCIS instructions are available at https://www.uscis.gov/i-539. Follow the USCIS instructions for completing the form(s) and for documents required to be included.

Do not complete this form for:
- The TU employee
- Dependents who are outside the U.S
- Dependents who have and wish to continue in a separate, independent nonimmigrant status

Dependents have a choice of including the Dependent Application with Temple University’s Petition OR filing directly on USCIS’ website if there is only one Dependent listed in the application.

Note that USCIS service centers are now accepting credit card payments for Dependent Applications using Form G-1450, Authorization for Credit Card Transactions. See https://www.uscis.gov/g-1450 for details.

Mail a complete Dependent Application to ISSS…

Mail a complete application including checks, all supporting documentation, a signed original I-539 (and I-539A Forms if applicable) to:

International Student and Scholar Services
Temple University
Attn: (List the Name of the Advisor Working on Petition)
1938 Liacouras Walk, #202
Philadelphia, PA 19122

…Or File the I-539 Online if there is only One Applicant

Temple can file the H-1B petition without the Dependent application. Once the Dependent applicant has a Receipt Notice from USCIS, the applicant can apply online directly. See https://www.uscis.gov/i539online for more information.

USCIS does not mail paper biometric services appointment notices for electronically filed Forms I-539. The biometric services appointment notice will appear in the Dependent’s USCIS online account under “Documents” once the Applicant’s appointment is scheduled. The Dependent Applicant is required to bring a printed copy of the biometric services appointment notice to the Application Support Center appointment.

Tips for Dependent Applicants Completing Certain Sections of the I-539 Form:

Part 1: Information about Dependent

- Family Name: Enter the name of the spouse seeking a change or extension of status. If the spouse is not present in the U.S., or will continue in a separate immigration status, enter the information on the oldest dependent child seeking a change or extension of status.
- Alien Registration Number: An Alien Registration Number is typically associated with your Permanent Residency applications, if any. Leave it blank if you do not have one. This is not your USCIS# or card # listed on your EAD, or A# on I-94.
- U.S. Mailing Address: Enter the address where you receive your mail.
- U.S. Physical Address: Enter the address where you physically reside. This can be the same as your mailing address.
Part 2: Application Type

If the nonimmigrant dependents wish to extend dependent status, choose item “2”

If the nonimmigrant dependents hold some other immigration status, choose item “3.a.”, enter the H-1B Start date in 3.b., and enter “H-4” as the "change of status I am requesting" in 3.c.

For example, if Temple will file an H-1B petition with a start date of 07/01/2022, then you would complete the I-539 like this:

3.a. **X** A change of status.

3.b. New status and effective date of change (mm/dd/yyyy)

07/01/2022

3.c. The change of status I am requesting is:

H4 - SPS OR CHLD OF H1, H2, H3 OR H2R

Part 3: Processing Information

# 1: The requested end date must be the primary visa holders' requested end date. The Temple Petition End Date will match the Appointment Letter End Date for Faculty and Postdoctoral Fellow Research Associates.

For example, if the Primary Visa Holder has appointment dates of 07/01/22 to 06/30/24 on her/his Faculty Appointment letter, then the Dependent Applicant would list 06/30/2024 as the requested end date.

Part 3. Processing Information

1. I/We request that my/our current or requested status be extended until (mm/dd/yyyy): 06/30/2024
#3.a: If ISSS will include the Dependent Application with the employee's petition, choose "Yes, filed with this I-539"

For example:

3.a. Is this application based on a separate petition or application to provide your spouse, child, or parent an extension or change of status?

☒ Yes, filed with this Form I-539.  ☐ No
☐ Yes, filed previously and pending with U.S. Citizenship and Immigration Services (USCIS).

If the Primary Visa Holder’s petition has already been submitted to USCIS, but has not yet been approved, choose "Yes, filed previously and pending with USCIS. USCIS receipt number:" Then enter the I-797 receipt number in # 3.b.

For example:

3.a. Is this application based on a separate petition or application to provide your spouse, child, or parent an extension or change of status?

☐ Yes, filed with this Form I-539.  ☐ No
☒ Yes, filed previously and pending with U.S. Citizenship and Immigration Services (USCIS).

3.b. If pending with USCIS, provide USCIS Receipt Number.

► W A C 0 1 2 3 4 5 6 7 8 9

#4 and 5: Complete these sections ONLY if the Primary Visa Holder’s petition is already pending (submitted to USCIS but not yet approved). If applicable, list the name of the Petitioner as indicated at the top left-hand corner of the Receipt Notice issued by USCIS and the receipt date listed above it as “Date Filed”. For example, if the Primary Visa Holder’s Receipt Notice looks like this:

Then you would indicate this:
